

Well and Able are coming to Melbourne

Leg Gaiter

At the Source Kids Expo there was a lot of interest in Well & Able running a clinic in Melbourne to provide consultations for measurement and assessment.

So we are coming to Melbourne on the 30th and 31st of May 2019. We have booked a room at the Phoenix Park Community Centre in Malvern East, a central location to make it easy for everyone to come to us.

If you would like to book an appointment please contact us by phone (07) 3448 0446 or eMail thrive@wellandable.com.au. We will have appointments from 8:30am until 4:30pm on both days. To ensure the appointments run smoothly and that we have the products to use for fitting etc, we will need you to provide details of what footwear or products you are looking for and additional information such as foot length measurements. Please note appointments are limited.

On Thursday 30 May from 5:30pm until 7:00pm Tammie, our physiotherapist, will present an information session for therapists and health professionals who are interested in our products. Please pass this flyer onto your therapist or health professional so they can hear how our products can help you.

For more information on Well & Able's extensive range of footwear, dynamic compression garments and postural support products visit our website at www.wellandable.com.au.
