CHILDREN'S
FOOTWEAR COLLECTION

Welcome to Piedro®
Children's Footwear Collection

For more than **65 years**, **Piedro®** has been designing and producing shoes renowned for their quality, fit, durability, and style. Drawing on our long-standing experience in therapeutic footwear, we combine traditional craftsmanship with the latest fashion trends.

Fashion and functionality in one
Our latest collection reflects contemporary fashion and high-street styling. With vibrant leathers, playful prints, and modern designs, we've created a stylish and up-to-date range of children's shoes.
The collection includes a unique line of boots, shoes, and sandals in both classic and sporty styles—perfectly in tune with today's fashion.

Made to Order – just for you
Every pair of shoes is made to order.
This means that most models are available in all **four** of our **construction styles** and can be easily tailored to the specific needs of the wearer.
Our collection is designed for various sizes and age groups, with each category clearly indicating which models and options are available.
This makes choosing the right shoe simple and straightforward.

Construction styles

- Rehabilitation
- Stability
- AFO
- Reverse Last

Wide range and customization options
We offer shoes for a variety of purposes:
Rehabilitation and stability shoes: available in 8 width fittings, 1½ – 8½
Reverse last models: available in 2 width fittings, 4½ and 6½
AFO models: available in S, M, and L
For the size range 15–21, a more limited selection of constructions and width options applies; these are indicated in the catalogue.
All our products are produced on a made-to-order basis, which allows you to request specific modifications to be incorporated into the production process for an additional charge.

Fast delivery and excellent service
Despite our custom manufacturing, we guarantee delivery within **15 working days**, excluding transport and except during holiday periods.

Do you have any questions or need advice in choosing the right shoe?
Our customer service team is always happy to assist you at **+31 (0)182 – 22 35 40** or via **chat** on **www.piedro.com.**

CONSTRUCTION STYLES

Rehabilitation

Features:

- Made on extra depth lasts
- Extended medial and lateral heel stiffeners to provide extra foot support
- Removable, anatomically shaped footbeds
- Adaptable
- Extended heel stiffeners

Indications for use:

- Children who need footwear with extra support
- Neuro-physiological problems
- Varus or valgus instability
- Painful or pressure sensitive feet
- To accommodate insoles

1 Soft padding around the collar for a better fit
2 Extended stiffeners for better medial and lateral stability
3 Full leather insole
4 Easily removable and adaptable (hard-wearing) sole-unit
5 Sufficient toe-spring for easy roll-off
6 Removable profiled cork inlay, inside shoe
7 High toe-box and strong toe-cap for protection of the toes
8 Extended facings for maximum accessibility
9 Extra padding around the ankle for more comfort
10 Soft tongue padding to mould the shoe round the foot

Stability

Features:

- Fixates the subtalar joints and stabilises the talocrural joint
- Made on extra depth lasts
- High and extended heel stiffeners
- Removable, anatomical footbeds
- Adaptable

Indications for use:

- Children who need footwear with extra support
- Feet with extreme valgus or varus instability
- Severe Cerebral Palsy (CP)
- Partial or complete paralysis of the malleolus area
- Limited dorsi-flexion
- Deterioration of the talocrural joint
- Problems with ligaments in the lower limbs
- Painful or pressure sensitive feet
- To accommodate insoles

1. Soft padding around the collar for a better fit
2 A high and extra long stiffener to support the ankle
3 Full leather insole
4 Easily removable and adaptable (hard-wearing) sole-unit
5 Sufficient toe-spring for easy roll-off
6 Removable profiled cork inlay, inside shoe
7 High toe-box and strong toe-cap for protection of the toes
8 Extended facings for maximum accessibility
9 Extra padding around the ankle for more comfort
10 Soft tongue padding to mould the shoe round the foot

CONSTRUCTION STYLES

AFO

Features:

- Made on specialist footwear lasts to ensure the correct position of the lower limb is at 90°
- Additional space provided at the front and heel
- Can accommodate stock or custom Ankle Foot Orthosis (AFO)
- Adaptable

Indications for use:

- To accommodate an Ankle Foot Orthosis (AFO)
- To accommodate an inner-shoe such as a Rainier Boot or Arizona splint for example

1 Soft padding around the collar to fix the AFO
2 Special shaped extended heel stiffener moulded to fit the AFO
3 Full leather flat insole to allow the AFO to sit at a 90° angle
4 Easily removable and adaptable lightweight sole-unit with anti-pronation function
5 Hard-wearing removable anti-slip full rubber sole layer
6 Sufficient toe-spring for easy roll-off
7 High toe-box and strong toe-cap for protection of the toes
8 Extended facings for maximum accessibility
9 Soft tongue padding to mould the shoe round the foot
10 AFO

Reverse Last

Features:

- Specialist last shape
- Extended medial stiffener to prevent the foot progressing further into adduction
- Made on extra depth lasts
- Removable anatomical footbeds
- Adaptable

Indications for use:

- Clubfoot or to stabilise the post-operative clubfoot
- Extreme varus and / or adduction of the foot
- To correct the peak position in the upper tarsal joint *(pes equino-varus)*
- To correct varus tilting in the lower tarsal joint and further metatarsal area *(pes varus)*
- To stimulate abduction of the mid and forefoot
- To improve toe-off

1 Soft padding around the collar for a better fit
2 A special extended stiffener with curved wall to correct the foot shape
3 Full leather insole
4 Easily removable and adaptable (hard-wearing) sole-unit
5 Sufficient toe-spring for easy roll-off
6 Removable profiled cork inlay, inside shoe
7 High toe-box and strong toe-cap for protection of the toes
8 Extended facings for maximum accessibility
9 Extra padding around the ankle for more comfort
10 Soft tongue padding to mould the shoe round the foot

Determining your correct Piedro® size and width

Piedro® shoes are available in 32 length sizes (15 to 46) and up to 8 different width fittings.
The number of available width fittings may vary depending on the model.

With the help of our size charts on pages 9 to 11, you can easily determine which length and width size best fits your feet.

How to determine the correct shoe size:
Refer to the illustration below to see where to measure the length **(1)**, width **(2)**, and circumference **(3)** of the foot.
For more detailed last information, simply scan the QR code.

Do you have any questions or need advice on choosing the right size?
Our customer service team will be happy to assist you. You can reach us at **+31 (0) 182 – 22 35 40** or via **chat** on **www.piedro.com.**

FIRST STEP

Taking confident steps from the very beginning

Your child's first wobbly steps are truly special, and our shoes are here to support them every step of the way. Our specially designed first walking shoes follow the natural shape of a child's foot, providing exactly the right amount of space and stability needed for healthy development.

With a firm heel counter and a flexible, non-slip sole that allows for smooth movement, these shoes help little ones build balance and coordination. They give young children the confidence to explore the world, one step at a time.

The lightweight construction, breathable leather, and minimal seams ensure optimal comfort — even for the tiniest feet. And thanks to the wide opening (right up to the toes), they're easy to put on and take off.

Available in sizes 15 to 21 and in two widths, 3½ and 5½, so there's always a perfect fit, no matter how small those little feet are.

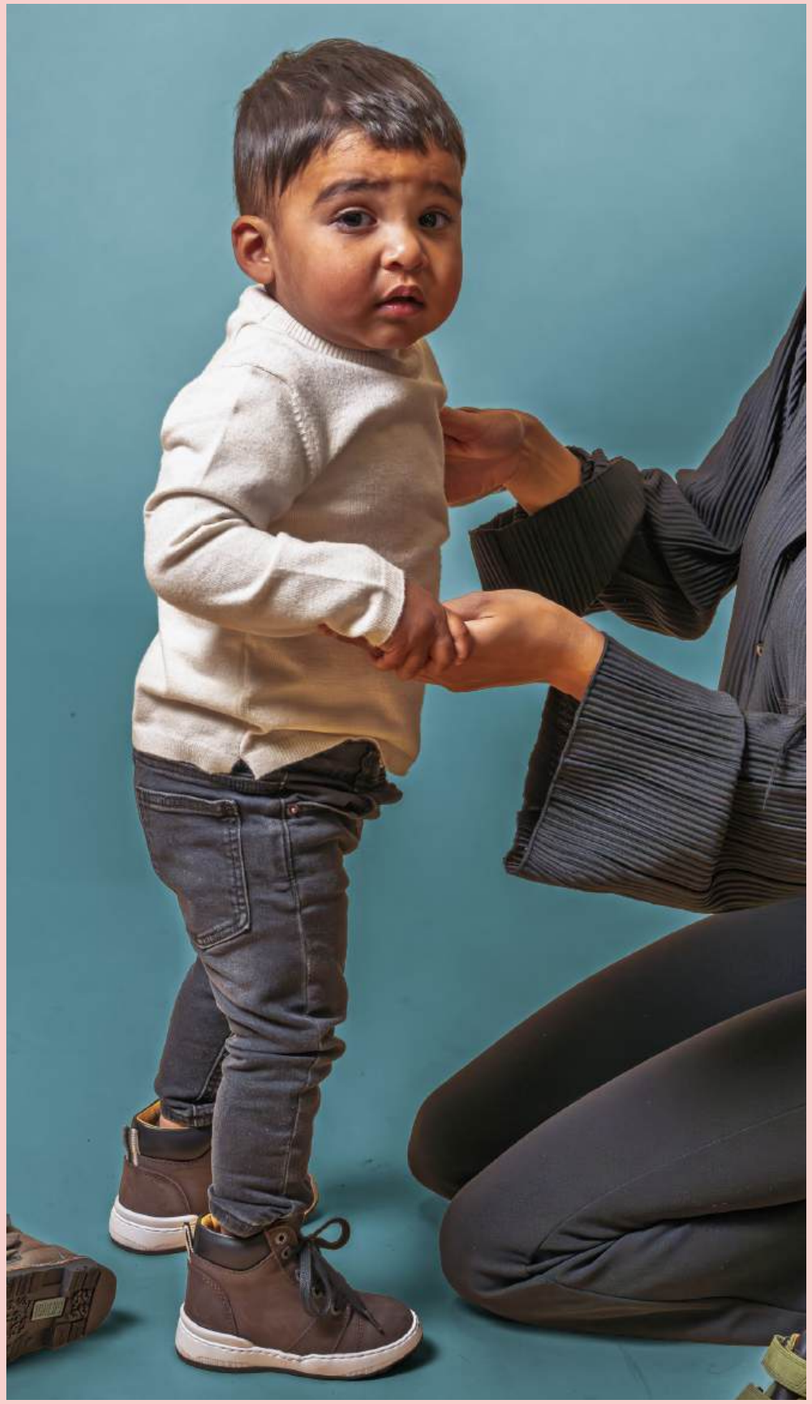
NEXT STEP



Ready for the first big adventures

With the Next Step shoes, your child takes the next steps with full confidence.
These sturdy yet flexible shoes provide just the right extra support while learning to walk, making every step feel natural and stable.

The reinforced heel and stable sole help with balance and coordination, while the slight toe spring encourages a smooth foot roll.
This way, little feet learn to move in a proper, natural way.

Soft, breathable leather and a supple inner lining ensure the shoes are comfortable, even during long adventures.
The wide opening makes them easy to put on and take off, hassle-free.

The Next Step collection is designed to grow with your child: firm enough for support, flexible enough for freedom.

Available in sizes 18 to 29 and in multiple widths: 2½, 4½, and 6½.

STITCHDOWN

Every step in balance

As a parent, you want your child to move, play, and grow freely, with the right support and without being restricted by their shoes.
Our shoes, made with a flexible construction, are specially designed for growing children's feet, providing the extra care and support they need.

The added rigidity in the heel and sole offers stability and control, while the flexible forefoot allows for natural foot roll.
This not only supports the ankle properly but also encourages a healthy posture.

Made from high-quality leather and breathable, durable materials, these shoes are built to withstand any adventure.
Minimal seams help reduce friction and irritation, making them ideal for sensitive little feet.

Available in sizes 18 to 46 and in various widths, ensuring a perfect fit for every foot.

TRAINERS

Strong support for growing feet

As a parent, you want the very best for your child especially when it comes to shoes. Our trainers are specially designed to give developing feet the optimal support they need while growing and moving. The reinforced heel and sole provide extra stability and help keep the foot in the correct position, while the sporty sole encourages a natural rolling motion with every step.

Thanks to their thoughtful design, these shoes not only support the ankle joint and malleoli but also promote good posture.
The shape follows the natural contours of a child's foot and offers plenty of room around the toes, stimulating healthy foot development.

Made from high-quality leather with minimal seams, the trainers are breathable, comfortable, and durable. Ready to withstand everyday play and adventure.
Available in sizes 24 to 42 and various widths, ensuring every child finds their perfect fit.

HIGH TOPS & MID TOPS

For children who stand firm on their feet

Our mid- and high-top shoes are designed for children who need extra support while moving, growing, and playing. Thanks to the higher shaft, these shoes not only provide stability around the ankle but also help to properly support the ankle joint and malleoli. Ideal for children who could use a little more balance and control.

The reinforced heel and sole offer additional support, while the well-shaped toe spring promotes a natural rolling motion of the foot.
The fit follows the natural shape of the foot, offering firmness through the slim heel section and plenty of room around the toes, allowing the foot to develop freely and healthily.

Crafted from high-quality materials, breathable leather, and a clever construction with minimal seams, these shoes ensure lasting comfort and the right support for growing feet.

Available in sizes 24 to 42 and various widths for a perfect fit.

SANDALS

For feet that love to move freely

The Piedro sandals are designed for children who need extra support without compromising on freedom of movement. These sandals combine stability, comfort, and healthy foot development in one thoughtful design.

The sturdy heel and sole construction provide additional support and stability, while the natural toe spring ensures a smooth rolling motion of the foot with every step. The anatomical fit follows the natural shape of the foot, offering stability around the heel and plenty of space at the toes, allowing the foot to develop freely and naturally.

With supportive design around the malleoli and ankle joint, these sandals help to stabilise the ankle and promote a healthy posture. Ideal for those who need extra balance, firmness, and comfort in everyday movement.

Made from high-quality, breathable leather and durable materials, they offer long-lasting wearing comfort. The smart construction with minimal seams helps prevent friction and irritation. Available in sizes 18 to 46 and in various widths 1½ to 8½ for the perfect fit.

ORDER INFORMATION

Piedro® children's shoes – specially made for every child

Every pair of Piedro® shoes is carefully handcrafted to order.
Our standard delivery time is a maximum of **15 working days**, excluding transport. Please note that external factors may occasionally cause delays.

Payment & Prices
All prices are in euros. Complete delivery and payment terms can be found in our price list.

Returns & Warranty
We stand for quality. If a product does not meet your expectations, you can return it within 30 days of receipt in its original packaging for replacement or refund.
Please note: shoes made to order (including single shoes) can only be returned in the case of manufacturing or material defects.

Customer Service
Do you have a question or complaint? Our service team is ready to help you find a suitable solution.

Catalogues & Price Lists
If you or your colleagues would like to receive additional catalogues and/or price lists, please contact our customer service team by phone at **+31 (0) 182 – 22 35 40,** by email at **piedro@piedro.nl** or via **chat** on **www.piedro.com.**

General Information
Models, colours, and prices may change from time to time.

Disclaimer
Models, colours, and prices are subject to change. The colours shown in this catalogue have been reproduced with care, but may differ slightly from reality due to printing or screen settings. We make every effort to present our products as accurately as possible.
